

Faith Bible Fellowship of Fairfield Glade Begins 2009 With an “All Things New!” Study Series

By Linda Evangelista
Glade Sun Contributor

Would you like a *new beginning*, but you do not know where to start? New and fresh starts do not necessarily bring with them a career path change, a residential location change or a new relationship. Many times change of attitude and outlook need to take place in the middle of the *same* life circumstances. Some aspects of your life may be in a state of turmoil—financially, maritally or perhaps you are in the middle of life-altering health issues.

We at Faith Bible Fellowship invite you to join us as we observe ways to make this year, as well as the rest of our lives, NEW. It may just be time.

Pastor Dave Evangelista has just begun a series titled, “*All Things New*” and includes topics from the New Testament such as, “*Growing Pains*”, “*The Comfort of His Coming*”, “*Don’t Walk in Your Sleep*”, “*It’s All in the Family*”, “*God’s Timetable*”, “*Nothing But the Truth*” and other helpful study topics taking us through the end of March.

We invite you to visit us at *Faith Bible Fellowship of Fairfield Glade* and to meet people who know they need to consider making some changes but want help in allowing God to get involved in the process while we worship God, study, fellowship, pray and support one another. When you attempt inner change alongside friends, it brings a lot more confidence.

We are located in the beautiful Fairfield Glade Community & Conference Center at 128 Stonehenge Drive. The website for more detailed information about our fellowship is: www.faithbiblefellowship-ffg.org or email: faithbibleffg@frontiernet.net, or phone the church office at 707-0347 and ask for Linda or Pastor Dave. We would love to meet you as we begin a New Year and a fresh start together, centered on the principles in God’s Word.
